💼 Qualification

- 1997, First School Living Certificate.
- 2002, West African Junior School Certificate.
- 2004, West African Senior School Certificate.
- 2006, Diploma in Desktop Publishing/ Microsoft Office Suite.
- 2009, Diploma in Computer Science.
- 2021, Certificate in UIUX/Design & Web Developer.
- 2023, Certificate in Web Developer Course.
- 2023, Certificate in Android Developer Course.

✏️ Career Objective

UIUX Designer and Front-End Web Developer with a proven ability to collaborate effectively with team developers while spending extra time to be mentored. I want to work closely with team developers and designers to ensure workload are effectively redirected to bottleneck and personally picking up the slack when necessary. I have passion for both growth and software development. I am ready to apply my passion for coding to a talented engineering team to design and develop quality web and mobile solutions.

🛠️ Skills

- Fluent English in writing and speaking
- Technical Microsoft Office Suite
- HTML
- CSS
- JavaScript
- Figma (Designs & Prototyping)
- WordPress
- Canva
- Logo Design
